Dear: Judge Hummel,

Upon the review of the documents disclosed by the defendants, there will be no evidence to support my claim.

Everything from the photographs, to the written reports, were written with lies, as well as the numerous injuries the Plaintiff sustained, were covered up as a simple fed mark on the face.

I move to dismiss this claim in its entirety with also, the exception of the dismissal of the filing fee.

Thank you in advance, for all of your time & efforts.

Sincerely: Karen Pozo
